

The 4JET Group develops and markets laser systems worldwide for processing and marking technical surfaces, and for processing high technical glass and solar cells. We are growing regardless of the current pandemic, and we are looking for Junior Field Service Technicians who want to start their career with us.

Field Service Technicians perform different types of support at customer locations, such as troubleshooting, setup, and installation of laser systems. This is an exciting opportunity, which allows you work in a team environment as well as an individual contributor. 4JET provides extensive training programs in the US and Germany. It is a great opportunity to add to your current skillset and work on exciting, technical projects. Work with us! Grow with us! Former military personnel and career changers apply!

Industrial Field Service Technician

Tasks

- Travel to customer sites (average about 60% National and 20% International travel)
- Troubleshoot, diagnose, and repair units in the field
- Installation and setup of new machines
- Conduct trainings on preventive maintenance, safety regulations, and operation of machines
- Provide general customer service on the phone (on-call emergency service) and in person
- Administrative tasks e.g. maintaining records of service calls, trainings, and expenses

Requirements

- Laser process or systems knowledge is beneficial, but not a must
- Degree in electrical/mechanical engineering or equivalent work experience is beneficial
- Strong analytical, fault isolation and problem-solving skills
- Computer and PLC experience
- Strong interpersonal and customer service skills
- Set a high standard of ethics, professionalism, and competency
- Knowledge of English language (written and verbal), German language skills are a plus
- Must be willing and able to travel to Germany for training (minimum 2 months)

Benefits

- Competitive salary + travel bonus
- Time off as compensation for overtime
- Paid vacation
- Health insurance co-pay
- High-level training to become a laser expert
- Independent work and exciting career in a stable growing industry
